PROFILE

A skilled and experienced Penetration Tester with a proven track record of assessing and enhancing the security posture of diverse organizations. Proficient in conducting comprehensive security assessments, identifying vulnerabilities, and providing actionable recommendations to mitigate risks. Strong expertise in various penetration testing methodologies and tools. Dedicated to maintaining up-to-date knowledge of emerging threats and security best practices.

WORK EXPERIENCE

MTN-GHANA

2023 TO DATE

Penetration Tester

- Conducted penetration tests on web applications, networks, and systems to identify vulnerabilities and weaknesses.
- Utilized a variety of tools and techniques, including manual testing and automated scanning, to assess security controls.
- Produced detailed reports outlining findings, risk levels, and recommended remediation strategies.

GHANA POST-GPS

2018-2020

Security Analyst

- Monitored network traffic and system logs for signs of suspicious activity or potential security breaches.
- Investigated security incidents, performed root cause analysis, and implemented corrective actions.
- Conducted vulnerability assessments and penetration tests to identify and address security weaknesses.
